### Independent Auditor's Report

### To the Members of Surrey Place

### **Opinion**

We have audited the financial statements of Surrey Place (the "Organization"), which comprise the statement of financial position as at March 31, 2024, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2024, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 1. Significant Accounting Policies

### Nature and Purpose of Organization

Surrey Place (the "Organization") is a non-profit corporation incorporated under the laws of Ontario without share capital, and is a registered charitable organization under the Income Tax Act (Canada).

The Organization is a specialized interdisciplinary health care centre which is nationally accredited and academically affiliated to enable individuals with developmental disabilities, autism spectrum disorder and visual impairment to maximize abilities and enhance health and well-being.

The main sources of revenue for the Organization are operating subsidies from the Ontario Ministry of Children, Community and Social Services (MCCSS) which are calculated on the basis of the approved net expenditures as formulated under the annual services plan process. This process requires management to produce periodic reports to maintain the Organization's funding position.

### **Basis of Accounting**

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### **Revenue Recognition**

The Organization follows the deferral method of accounting for grants and contributions.

Restricted contributions and grants are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions and grants are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fee for service revenues include fees for Ontario Autism Program (OAP) paid clinical services, services with partners and organizations, and the Ministry of Health for medical services. Revenue is recognized when the service has been provided. Fee for service revenue received in advanced of being earned is recorded as deferred revenue.

The Organization records contributions used to purchase tangible capital assets as restricted. The contribution is deferred, and revenue is recognized on the same basis as the amortization of the related asset.

Other income includes distributions received from investments which is recognized on the accrual basis.

### 1. Significant Accounting Policies (continued)

#### Financial Instruments

Financial instruments are recorded at fair value at initial recognition. In subsequent periods financial instruments are reported at cost or amortized cost less impairment if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost and amortized over the expected life of the instrument using the straight line method.

The Organization's financial instruments consist of cash and cash equivalents and short term investments which are recorded at fair value and accounts receivable, receivable/payable from/to MCCSS, and accounts payable and accrued liabilities which are recorded at amortized cost.

### **Tangible Capital Assets**

Purchased tangible capital assets are stated at cost less accumulated amortization. Contributed tangible capital assets are recorded at fair value at the date of contribution and are amortized, unless fair value is not determinable in which case contributed tangible capital assets are recorded at nominal value at the date of contribution.

Amortization based on the estimated useful life of the asset is calculated as follows:

Office and computer equipment 20% declining balance Leasehold improvements 10 years straight-line

### **Contributed Services**

Due to the difficulty of determining their fair value, the Organization does not record the value of donated materials and services.

# Internally Restricted Reserve Fund

The internally restricted reserve fund was created by the Board of Directors (the Board) for the purpose of setting aside amounts to meet unforeseen special demands in the future.

### Cash and Cash Equivalents

Cash and cash equivalents consist of cash and guaranteed investment certificates maturing within 90 days.

### March 31, 2024

### 1. Significant Accounting Policies (continued)

#### Use of Estimates

Management reviews the carrying amounts of items in the financial statements at each statement of financial position date to assess the need for revision or any possibility of impairment. Certain items in the preparation of these financial statements require management's best estimate. Management determines these estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action.

These estimates are reviewed periodically and adjustments are made to operations in the year they become known.

Items subject to management estimates include allowance for doubtful accounts, accrued liabilities, and the estimated useful lives for tangible capital assets.

### Allocation of Expenses

The Organization incurs costs which it allocates to its programs in the Schedule of Programs. These costs are applied consistently each fiscal year according to the guidelines provided by the funders.

The Organization allocates expenses in the statement of operations by program and administration based on funding agreements. Program expenses include direct program delivery and program administrative costs while administration expenses include central administration, research, evaluation and educations costs that support multiple programs.

### **Related Party**

The financial position, results of operations and cash flows of Surrey Place Charitable Foundation, whose board of directors include a majority of Organization board of director members, have not been consolidated in the Organization's financial statements. Refer to Note 10 for disclosure of the Foundation's financial information.

### 6. Accounts Payable and Accrued Liabilities

Included in accounts payable and accrued liabilities are government remittances of \$128,408 (2023 - \$195,261).

Also included in accounts payable and accrued liabilities is the program surplus which is to be returned to MCCSS and other organizations related to the current and prior years as follows:

	2024	2023
Fiscal 2023-24 funding Fiscal 2022-23 funding Fiscal 2021-22 funding	\$ 500,000 4,264,891 193,482	\$ 4,264,891 201,546
	\$ 4,958,373	\$ 4,466,437

### March 31, 2024

### 7. Restricted Contributions

Restricted contributions are funds received in support of specific programs, projects or activities agreed upon by Surrey Place and various funders.

Surrey Place receives restricted grants from the Province of Ontario, Municipal Governments, and restricted donations and other grants from philanthropic donors and other foundations.

Surrey Place also administers community partner payment programs on behalf of the Province of Ontario. The programs provide flow-through funding to the recipients.

	Balance, March 31,			Balance, March 31,
	2023	Received	Recognized	2024
Province of Ontario Municipal Community Partners	\$ 8,453,255 64,419	\$50,128,677 986,650 31,318,023	\$(58,419,248) (954,489) (31,318,023)	\$ 162,684 96,580

	Balance, March 31, 2022	Received	Recognized	Balance, March 31, 2023
Province of Ontario Municipal Community Partners Other Funders	\$ 329,548 45,216 - 2,111,535	\$ 72,965,586 744,519 38,682,078 789,609	\$ (64,841,879) (725,316) (38,682,078) (1,351,656)	\$ 8,453,255 64,419 - 1,549,488
Ending balance	\$ 2,486,299	\$113,181,792	\$(105,600,929)	\$ 10,067,162

### 8. Deferred Contributions for Tangible Capital Assets

Deferred contributions for tangible capital assets represent the unamortized portion of the contributed tangible capital assets purchased with funding received from MCCSS. The changes in the deferred contributions balance for the year are as follows:

	_	2024	2023
Beginning balance Add: funding received for tangible capital assets	\$	1,660,753	\$ 2,029,821
purchases Less: amounts recognized as revenue in the fiscal year		553,881 (490,956)	88,436 (457,504)
Ending balance	\$	1,723,678	\$ 1,660,753

March 31, 2024

#### 9. Pension Plan

HOOPP provides pension services to more than 460,381 active and retired members and approximately 677 employers. Substantially all of the full-time employees and some of the part-time employees of the Organization are members of HOOPP. The plan is a multi-employer plan and therefore the Organization's contributions are accounted for as if the plan were a defined contribution plan with the Organization's contributions being expensed in the period they come due.

Every three years, an independent actuary determines the funding status of HOOPP by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date.

The results of the most recent valuation as at December 31, 2023 disclosed a surplus position with value of net assets of \$112.6 billion and value of pensions obligations of \$102.5 billion. HOOPP is a multi-employer plan, therefore any pension plan surpluses or deficits are a joint responsibility of Ontario member organizations and their employees. As a result, the Organization does not recognize any share of the HOOPP surplus or deficit. Contributions made by the Organization to HOOPP for 2024 were \$3,550,476 (2023 - \$3,281,508)

13

### 10. Related Party Transactions

Surrey Place Charitable Foundation (the "Foundation") receives donations for the benefit of people with developmental disabilities similar to the objectives of the Organization as described in Note 1. The Foundation is a controlled organization, incorporated without share capital and qualifies for tax-exempt status as a registered charity recognized as a public foundation under the Income Tax Act (Canada).

The financial summary of the Foundation as at March 31, 2024 and 2023 is as follows:

### Financial position:

	2024	2023
Assets Liabilities	\$ 1,704,423 139,787	\$ 1,530,377 60,710
Net assets	\$ 1,564,636	\$ 1,469,667
Financial activities:		
Revenue Expenses	\$ 183,236 88,267	\$ 36,943 74,144
Excess (deficiency) of revenue over expenses	\$ 94,969	\$ (37,201)
Cash flows:		
Operating Investing	\$ 52,568 (34,501)	\$ 67,133 (30,958)
Increase in cash during the year	\$ 18,067	\$ 36,175

The Foundation's major sources of income are investment income and contributions received from the community. The income generated in the Foundation is intended to be remitted to the Organization to support its mission.

The Organization and the Foundation share common premises and administration services. The Organization received grants from the Foundation in the amount of \$58,813 (2023 - \$50,000) to fund specific projects. Revenue recognized for the year on these projects is \$63,083 (2023 - \$43,221).

### March 31, 2024

### 10. Related Party Transactions (continued)

Included in deferred revenue at year end is \$354,805 (2023 - \$359,075) of contributions received from the Foundation for various projects. These contributions will be recognized as revenue once they are spent on the designated projects.

### 11. Commitments

The Organization's commitments are minimum lease payments under various property lease agreements, exclusive of occupancy costs as follows:

2025	\$ 1,413,134
2026	1,423,848
2027	1,314,703
2028	873,545
Thereafter	 495,671
	\$ 5,520,901

### 12. Contingencies

In the normal course of business, the Organization is subject to various claims which are provided for if and when the amounts become reasonably determinable.

### March 31, 2024

### 13. Financial Instruments

#### Credit risk

The Organization's financial instruments that are exposed to concentrations of credit risk relate primarily to its receivables. The Organization provides credit to its clients in the normal course of its operations.

The Organization mitigates credit risk on its receivables by performing credit assessments on a regular basis and creating an allowance for doubtful accounts when applicable.

There had been an decrease in this risk as a result of decreased receivables from partner agencies.

### Liquidity risk

The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities including the repayable to MCCSS and commitments.

The Organization's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient cash flows to fund its operations and to meet its liabilities when due, under both normal and stressed conditions. The Organization maintains a portion of its invested assets in liquid securities.

The Organization's ability to obtain funding from external sources may be restricted if the Organization's financial performance and condition deteriorate. In addition, credit and capital markets are subject to inherent global risks that may negatively affect the Organization's access and ability to fund its short-term requirements. The Organization mitigates this risk by actively monitoring market conditions and diversifying its sources of funding.

There have not been any changes in the risk from the prior year.

#### Interest rate risk

The Organization is exposed to interest rate risk on its fixed interest rate financial instruments. Fixed-interest instruments subject the Organization to a fair value risk.

It is management's opinion that Organization is not exposed to significant interest rate risk arising from its financial instruments.

There have not been any changes in the risk from the prior year.

March 31, 2024

### 14. Comparative Figures

Certain comparative figures have been reclassified to conform with current year presentation in the financial statements.
